Amazing Family is a place where exceptional care meets genuine compassion to nurture every beautiful smile.

OUR SERVICES

We are dedicated to delivering high-quality and the most amazing dental care services. We prioritize our patient's oral health and well-being.

Preventive Dentistry

Our Preventive Dentistry services include prioritizing prevention over treatment. We focus on patients' oral health with regular checkups, cleaning, and educating our patients on the best oral health practices. Routine examinations help us to detect early problems like cavities and gum diseases. We preserve your smile for years to come.

Restorative Dentistry

We restore your oral hygiene with our comprehensive services. We employ advanced techniques for your treatment whether it is dental fillings, crowns, bridges, or dental implants. We ensure that your restored teeth function optimally and look natural and aesthetic. We prioritize your comfort the most to ensure your healthy smile shines brighter.

Cosmetic Dentistry

We employ a range of procedures in cosmetic dentistry from teeth whitening and veneers to dental implants and smile makeovers. We craft a natural-looking smile you have always desired. We create a customized treatment plan according to the unique needs of every patient. We can make your smile radiant with improving teeth alignments.

PREVENTIVE DENTISTRY

We prioritize your oral health care with regular checkups and cleanings to preserve your smile with personalized guidance on oral hygiene practices.

Prophy and Cleaning

We provide you with top-notch oral care with Prophy and Cleaning services. We remove plaque, tartar, and stains from your teeth. We take care of your oral health to prevent gum disease and tooth decay in a comfortable and painless experience while refreshing your bright smile with our oral health practices.

Fluoride Application

We protect your teeth with our Fluoride Application service. We apply a fluoride (a natural mineral) solution to your teeth to strengthen your enamel. It reduces the risk of cavities and repairs minor enamel damage. We strive to keep your teeth strong and healthy to cope with everyday challenges with Fluoride Application.

Periodontal Treatment

We provide comprehensive periodontal treatment services addressing a variety of problems. We have tailored them to your teeth needs like scaling and root planing, gum grafting, and laser therapy. We restore your gums to optimal health to reduce inflammation and other complications while minimizing discomfort.

Sealants

We protect your teeth from decaying with our valuable preventive measures of applying dental sealants. We apply a thin layer of resin to the chewing surfaces of the teeth. Our painless and quick sealant service reduces the risk of cavities and bacteria accumulating in your deep grooves and fissures.

Occlusal Guards

We safeguard your dental health with Occlusal Guards. They are custom-made oral appliances to protect your teeth and jaw from teeth grinding. By assessing your needs, we will give you a custom-fitted occlusal guard that fits comfortably in your teeth to prevent the grinding and clenching of teeth during sleep.

Sport Guards

Our expert dentists craft personalized Sports Guards to provide maximum protection against potential injuries such as broken teeth or jaw damage during your sports activities. We have designed them to custom fit into your jaw so that you can easily enjoy your favorite activities and sports with the best oral hygiene.

RESTORATIVE DENTISTRY

We are experts in restorative Dentistry to repair and enhance your smile. Our superior treatment dental services include fillings, crowns, and implants.

Restoration

Our Restorative Dentistry services involve the rehabilitation and repair of damaged, decayed, or missing teeth. We treat you by performing restorative procedures such as fillings, crowns, bridges, and dental implants. We restore the appearance of your teeth for a beautiful smile to reflect our commitment to your health.

Dentures

We have expertly crafted Dentures to restore your smile's functionality with aesthetic appeal. The denture is a versatile solution for missing teeth. We improve your oral health and facial aesthetics. We can provide you with partial dentures for missing teeth or complete dentures for full arch restoration to suit your needs.
